PROFESSIONAL SUMMARY

I am an MBA(Marketing) professional with experience in performance marketing, lead generation, and digital campaign management. Currently working as a Performance Marketing Executive managing Google Ads and Meta Ads campaigns focused on improving lead quality, campaign performance, and ROI. Skilled in campaign optimization, audience targeting, reporting, and sales coordination. Previous experience in real estate sales and business development has helped develop strong client handling and conversion skills.

KEY SKILLS

Performance Marketing | Google Ads | Meta Ads | Power BI | Excel | Campaign Optimization | Lead Generation | Google Analytics | Sales & Client Handling | A/B Testing

WORK EXPERIENCE

Netzwerk.ai, Performance Marketing Executive

April 2024 – Present

- Managing and optimizing Google Ads and Meta Ads campaigns focused on lead generation.
- Handling ₹10L+ monthly ad budget, ensuring effective utilization and performance tracking
- Improving CTR by optimizing ad creatives, headlines, and audience targeting
- Reducing cost-per-lead (CPL) by 25% through A/B testing and campaign optimization
- Increasing conversion rate by ~20% by improving landing pages and user experience
- Tracking campaign performance using Google Analytics, Excel, and Power BI dashboards
- Monitoring key metrics like CTR, CPC, CPL, and ROAS to evaluate campaign success
- Preparing regular performance reports and sharing insights for decision-making
- Automating reporting processes to save time and improve efficiency

Business Development Executive, Sandip University

June 2023 – April 2024

- Promoted university programs through presentations, digital campaigns, and student outreach activities.
- Supported lead generation campaigns through online and offline marketing channels.
- Analysed lead generation performance using Excel reports.

Senior Sales Executive, DWELLO 365

December 2020 – April 2023

- Led sales activities for real estate projects and handled negotiations between builders and clients.
- Worked with NRI clients from Canada, Australia, UAE, and Qatar for property investment opportunities.
- Conducted virtual site visits and online client meetings to support remote property sales.

Projects

Performance Marketing Dashboard Project

- Created campaign performance dashboards using Power BI for Google Ads and Meta Ads campaigns.
- Tracked key metrics including CPL, CTR, CPC, ROAS, and conversion performance.
- Improved ROI by ~30% and reduced CPL by ~25% through campaign optimization.

Lead Generation Funnel Optimization

- Developed real estate lead tracking dashboards using Power BI and Google Analytics.
- Analyzed 5,000+ monthly leads from Meta Ads and Google Ads campaigns.
- Improved lead-to-conversion ratio by ~20% through audience and campaign optimization.
